

# Experience The Whole Science Centre

We are built on a ravine. The higher the level number, the further down you go!

## Featured Areas

**LEVEL 2 Canada 150: Discovery Way**  
This new installation highlights notable Canadian inventors, scientists, technological breakthroughs and innovations in honour of Canada 150!

**LEVEL 4 KidSpark**  
Spark your child's curiosity through play, building, water and a variety of activities.

**Space**  
Check out a real Moon rock, a meteorite from Mars and explore the Universe in Toronto's only public planetarium.

**LEVEL 5 A Question of Truth**  
Explore how beliefs and biases can influence scientific research.

**LEVEL 6 Weston Family Innovation Centre**  
Experiment with sound panels, play with the ferrofluid piano, test the materials orchestra, see your face in bubbles.

**The Living Earth**  
Touch a tornado or wander through a real, live rain forest environment filled with plants and animals.

**Science Arcade**  
Lights, sound, action! Have fun and get physical with physics in our Science Arcade!

**The AstraZeneca Human Edge**  
Explore the wonders and possibilities of the human body.

**Forest Lane**  
Discover Canadian forests in their many forms.

**Live Science Demos and Shows**

READY, SET, POP!	<b>Sunny Side DROP!</b> <i>May &amp; June</i>	Test your design and engineering skills! Can you drop an egg accelerometer with minimal damage? Test it out! Protect the egg for a fall by creating a lander, complete with parachute and cradle. See how your creation performs against other visitors. Adjust the design to improve your ranking and try to create the best egg lander of the day!	LEVEL 2 Procter & Gamble Great Hall
	<b>Make'rMOVE</b> <i>May &amp; June</i>	Build your own vehicle! You can make one out of pre-cut parts, or you can design your own and have it cut on the laser cutter. You can even "motorize" it with an elastic band or an electromotor. Get your engines revving!	
	<b>Quiz Busters</b> <i>June</i>	Do you know the difference between fact and fiction? Join in this fun mini game show to test your knowledge of pop culture and science. Current tech, or wishful thinking? Challenge yourself to find out.	
	<b>UnEARTHing MARS</b> <i>July</i>	Become a Martian as you launch off on a mission of discovery to explore the red planet. Through interactive experiences and hands-on, astronomical activities, our month of Mars programming is sure to be out of this world!	

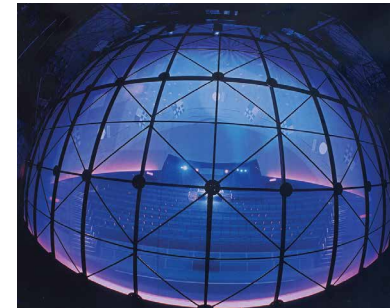

SCIENCE DEMOS & SHOWS	<b>The Energy Show</b>	Discover the world's ultimate source of power at The Energy Show!	LEVEL 1 Imperial Oil Auditorium
	<b>A 'hair-raising experience'</b>	Get charged up at our classic Ontario Science Centre experience. Take a picture to capture your turn with our iconic Van de Graaff generator.	LEVEL 1 Imperial Oil Auditorium Mezzanine
	<b>Science HotSpot</b>	Plug into live presentations about current science.	LEVEL 6 Weston Family Innovation Centre – Hot Zone
	<b>Papermaking Demo</b>	Transform plants and scrap paper into new paper. Watch the papermaking demo then take home the instructions and make your own!	LEVEL 6 Rock Paper Science Hall

FIRST COME, FIRST SERVED, MAXIMUM CAPACITY OF 50. DOORS CLOSE AT SHOW TIME. PROGRAMS VARY DAILY.

PLANETARIUM	<b>Eyes On The Skies (ages 0-5)</b>	<i>For children 5 years and under WITH their caregivers.</i> Learn about the nighttime sky through singing, connect-the-stars constellations and a journey to the Moon!	LEVEL 4 Planetarium Space Hall

## POPnOLOGY

YESTERDAY'S FANTASY IS TODAY'S REALITY.

May 19 to August 6

Here's your chance to get nerdy and geek out!

Test drive robotics, rovers and revolutionary sci-fi inspired tech. Take your picture with the DeLorean time machine, and meet the galaxy's most beloved little droid. Hone your inner cyborg by working with a robot arm and see the world's first 3D-printed car.

Through immersive games, hands-on robotics and futuristic technology, you'll see just how far we've come and where we're going.

POPnology® was created by Stage Nine Exhibitions and is distributed by Exhibits Development Group.
