

# ONTARIO SCIENCE CENTRE DAY CAMPS

## PLACEMENT REQUEST FORM

If you did not provide your placement preference when you booked, please use this form if any of the children listed on your confirmation want to be grouped with a friend at Camp. A maximum of one placement may be requested for each child. Campers are grouped according to age and cannot be more than one year apart in order to be placed together. Based on our experience siblings do better at Camp when placed in separate groups. **For your placement request to be considered, requests must be received by BOTH parties and submitted at least two weeks prior to the Camp date.**

We will make every effort to accommodate your preference but requests are not guaranteed and subject to change.
