PARTICIPATION WAIVER/PARTICIPATION CONSENT STATEMENT

I understand and acknowledge as a parent/guardian of a child(ren) who is/are participant(s) (Participant) that my child(ren) will participate in online activities and the use of electronic communications. I acknowledge that the program hosted by the Ontario Science Centre (OSC) is being delivered as a virtual experience (Zoom meeting) using electronic communications, including, without limitation, interactive chat through which the Participant (s) may interact with other Participants, and viewing the program presenters and others who administer or manage the program.

I understand that the interactive parts of the program will be recorded and made available to other Participants in the program and by staff and others involved in the administration of the program for educational and promotional purposes and program management and development. I understand that recording, or otherwise capturing information exchanged via electronic communications during the program, including the photos, videos, chat text or the audio of other Participants and staff in the program by other Participants in the program is strictly prohibited and the OSC will advise the Participant(s) of same. Despite the abovementioned prohibition on capturing information exchanged by other Participants, I understand and accept that there is a risk that my child's personal information may be captured and shared by other Participants.

I recognize and accept that I remain responsible for supervising the Participant(s) at all times during the program. I will be present, available, and responsive to supervise the Participant(s) and assist with their activity and technology-related needs and intervene as appropriate if contacted by staff from the OSC.

Any attempt to deliberately damage the OSC's or third party's computer program(s) or any related website(s) utilized by the OSC, or to undermine the legitimate operation of this program may be a violation of applicable laws. The OSC assumes no responsibility or liability for any computer, online, telephone, hardware, software or technical malfunctions that may occur as a result of participation in the program or due to use of the computer program or platforms used by the program. The OSC reserves the right to cancel, suspend or modify the program, should a virus, bug, computer problem, unauthorized human intervention or other cause beyond the OSC's control, corrupt or affect the administration, security, integrity or proper conduct of the program. I understand that there is risk associated with online and electronic communications particularly where unencrypted software or technology is used.

Any Participant(s) whose behaviour is deemed inappropriate by the OSC will be given one warning, which may include notification to their parent/legal guardian after the program session concludes. If the inappropriate behaviour continues following this warning, the Participant(s) will be dismissed from the program without refund. OSC retains the right, exercisable at its sole discretion, to determine that a Participant's inappropriate behaviour, including but not limited to tampering with the computer or online platform(s) is sufficiently serious such that they should be dismissed from the program without warning. In such circumstances, notice of the decision will be given to the Participant's parent/ legal guardian.

I agree that the choice to participate brings with it the assumption of those risks and results that are part of these activities. I agree that the OSC, its trustees, officers, directors, employees, agents and independent contractors, shall not be liable for any injury to my child(ren) or any loss/damage to my child(ren)'s personal property arising from, or in any way resulting from, my child(ren)'s participation in these activities. I certify that the information provided in this registration form is, to my knowledge, true and complete. I have read and understood the above waiver and consent and confirm that I am the parent or legal guardian of the child(ren) mentioned herein who is a minor.
