

ONTARIO SCIENCE CENTRE

DAY CAMP PLACEMENT REQUEST (optional)

Does your child have a friend or family member attending Camp? To request the Campers be placed in the same group, please use this form. A maximum of one placement may be requested for each child. Campers should not be more than 1 year apart in age if you are requesting they be placed together. Based on our experience, siblings do better at Camp when placed in separate groups.

Note: We can't guarantee that we will be able to accommodate your request, and we reserve the right to group Campers as needed for safety, including to ensure proper Camper-to-Supervisor ratios. We will provide an update about whether your request was accommodated prior to Camp starting.

For your placement request to be considered, requests must be received by BOTH parties and submitted at least two weeks prior to the Camp date.

Please submit your completed form by mail or email to: Ontario Science Centre, Sales and Contact Centre, 770 Don Mills Road, Toronto, ON, M3C 1T3 or recreationalprograms@ontariosciencecentre.ca.
